**BOTTLE LIST**

# WELCOME

Welcome to the uva wine bar bottle list. With well over 200 bottles to choose from, we have done our best to provide an extensive assortment of great wines.

## Selection

With 62 white wines, 100 red wines, 9 rosé wines, 25 sparkling wines, 3 dessert wines, and 7 sherry and port wines, we are sure you can find something you are either already familiar with or are excited to try.

## Philosophy

Tastes are wide-ranging so our goal is to provide an abundant number of choices to please everyone. We have selected great bottles, both single varietals and blends, in numerous styles and from many different regions throughout the world...all at various price points. Most importantly, we choose our bottles to pair well with our menu items, consisting of various shareables, meat/cheese boards, house specialties, and desserts. There is something for everyone.

## Organization

We have organized this list primarily by grape varietal. Wines not easily categorized by varietal are then listed by the country of origin. Can't find what you are looking for? Please ask for help.

## Ideas

Have a suggestion? Please share your thoughts and we can investigate the availability of what you would like us to consider adding to our wine list.

## Notes

- Want to take home a bottle of something you like? Colorado liquor laws allow restaurants to make bottles available for takeout. We offer a 35% discount off the on-premise service price so ask your server to assist you.
- We have several non-alcoholic wine options for you to try.
- Decanters are available; please ask if you would like us to pour your wine into one.
- If you do not finish your bottle of wine here, feel free to take the remainder home. Ask your server to re-seal and bag the bottle for safe transportation.
- Per Colorado law, once opened all wine originating in large format bottles, such as a magnum, is not eligible to be taken off the premises.
- If no vintage (year) is listed, it is "non-vintage," meaning it is a blend of two or more years of harvested grapes.

## Assistance

Please ask if you would like us to recommend something!
